

About Norskanimasjon.no

Norskanimasjon.no is a Norwegian website started and run by Foreningen For Animert Film (The Norwegian Animation Association). The site mainly features information about Norwegian animation and the main target group is domestic.

However, there are some information and articles that has a broader audience. Articles and information in English can be found on this page, and will be updated continuously.

The site also ~~is Norwegian animated~~ features Norwegian animated films and animators. Hopefully you will be able to manoeuvre your way around although most categories are in Norwegian.

Stay tuned and enjoy!
